

Geography- It is no mystery but listen up and we'll explain it quickly

The existence of intelligence is pure excellence, the depth of our knowledge ain't no coincidence

It happens on land and under the sea we measure it with seismology curiosity, efficiency, urgency, emergency accuracy is key

Geography it is no mystery but listen up and we'll explain it quickly

The existence of intelligence is pure excellence the depth of our knowledge ain't no coincidence

It happens on land and under the sea we measure it with seismology curiosity, efficiency, urgency, emergency accuracy is key
