

Verse 1:

Oh no the ground is shaking

Yo, that's the earth quaking

We the best in the biz

And we know what that is

Refrain :

Water bottle fell

Gas broken

Water is off

Ain't that swell

Verse 2:

Trees are falling

Buildings are cracking

We need safety

That's what were lacking

Refrain:

Water bottle fell

Gas broken

Water is off

Ain't that swell

Verse 3:

We are in an earthquake

How do we know that?

Because the ground is shaking DUH

I thought it was an elephant fainting!

Refrain:

Water bottle fell

Gas broken

Water is off

Ain't that swell

Verse 4

Earthquakes are not only caused by sliding tectonic plates,
But by volcanoes and tsunamies,
With their mates,
And it makes us weak in the knees
